PROPHETS OF OLD

First To See Coming Of Prince Of Peace

BETHLEHEM, Dec. 25 — Beginning of the Year of Our Lord 1. — For centuries prophets have forecast the birth of a Christ Child and historians have made many references to the coming of a Messiah.

These are some of the names which have been applied to Him. Immanuel, Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace, The Lord of the Highest and Jesus.

Magi Followed Star To Find Son Of Mary

BETHLEHEM, Dec. 25 — Beginning of the Year of Our Lord 1. — The mysticism and beauty of the Orient has mingled with the simplicity and reverence of a little town made holy by a divine occurrence.

Three sages from the East, their many colored silks and gold insignia, walked the dusty streets of Bethlehem today and told of their journeys across desert and plain to lay rare gifts at the feet of the tiny babe.

They spoke briefly and eloquently of the prophecy. "There shall come a star out of Jacob and a scepter shall arise out of Israel," and they described the brilliance and comet-like action of this star which had arisen in the east, and which they had followed until it halted over the Judean city.

These three Magi who bear the names of Casper, Melchor and Balthazar, were familiar with the Hebrew prophecies which foretold the advent of the Messiah, and had long waited for the star, they said. To prepare for the promised King of Israel, they sold their possessions and equipped a caravan.

Last night, surrounded by humble shepherds and barnyard animals, they fell to their knees and worshipped the young child with great joy, and presented him with frankincense, myrrh and gold.

When they were asked if the common place surroundings seemed out of keeping with Christ's significance, Melchor, the wise man, answered:

"The King we seek is not to be found in the palace, nor among the rich and powerful. If the light of the world and the glory of Israel had been appointed to come with earthly splendor, it must have happened long ago. For no son of Abraham will ever again rival the power which Joseph had in the palaces of Egypt or the magnificence of Solomon throned between the lions of Jerusalem. But the light for which the world is waiting is a new light, the glory that shall rise out of patient and triumphant suffering. And the kingdom

Dogs And Sheep Overcome By Celestial Radiance

BETHLEHEM, Dec. 25 — Beginning of the Year of Our Lord 1. — The shepherds' dogs and sheep were overcome also by the strange light from heaven last night, the men report.

'Mary Smiled At Me!' Simply Clad Boy Says

NAZARETH, Dec. 25 — Beginning of the Year of Our Lord 1. — A young boy—one of the band of shepherds which was visited on the hill near here last night by a heavenly host of angels who told them of the birth of the baby prophet, was a shy narrator of events transpiring at the stables when the presence of the child became known.

Rough clad, and plainly awed by his part in the divine drama, he gave the only clear impression gained of Mary, the mother of the Holy Child. The other shepherds were too inspired, and the wise men from the East too preoccupied with the identity of the infant to notice details which the eye of a child seized upon.

"Everything seems so quiet in the stable," he replied to questions. "I noticed that even the pigeons didn't coo like they usually do."

"Did Mary or Joseph say anything to anyone?" he was asked.

The lad flushed then conflicted: "Joseph asked me to help him fix the hay so it would be more comfortable, and then Mary smiled at me after she had been looking at the baby, and so I asked her if they didn't have better places in the inn. She answered low-like: 'There wasn't any room for us.'"

"I felt sorry for her; and then she smiled again and just whispered: 'But I like it here. The inn was so noisy, and the streets are full of loud people. The animals are peaceful. You mustn't feel sorry for us.'"

"I still feel strange. It is as though something too wonderful to talk about has happened to me, I can't explain it. But I feel so peaceful inside."

impressive in the richness of which is to be established forever in a new kingdom, the royalty of unconquerable love."

An intimation of the uncertain future was voiced when he added: "I do not know how the turbulent kings and peoples of the earth shall be brought to acknowledge the Messiah and pay homage to Him. But this I know. Those who seek Him will do well to look among the poor and lowly, the sorrowful and the oppressed."

Astrologers See Tragedy, Sorrow For Holy Babe

JERUSALEM, Dec. 25 — Beginning of the Year of Our Lord 1. — Great tragedy will mark the future of the child born in Bethlehem, say this country's foremost astrologers. The stars, they say, reveal:

He will be in great danger while he is still an infant, and because of an attempt upon His life, many children will be killed.

He will live to be hailed in Jerusalem, but will later be rejected and betrayed by one close to Him.

Crucifixion will be the manner of His death, and He will undergo unspeakable suffering. There are other venerable pathetic words which foretell the sufferings of the promised Messiah.

These reveal that He will be "despised and rejected of men, a man of sorrows and acquainted with grief."

Their search of the records, it is believed, will continue for many weeks and will entail many secret conferences with not only members of their craft, but with the priesthood in the temple itself. Whether their findings will be made public in detail is not known.

The astrologers added that this preliminary report of their findings as revealed by their efforts probably would be considerably altered by further study, and indeed, might be radically altered by results of research and study.

excitement and rejoicing that have followed local scribes have been searching history and the Bible and point to the predictions of Isaiah, Jeremiah, Micah and others.

The following quotations are given as vital to the Messiah's coming:

The Lord spoke again to Ahaz saying, Ask thee a sign of the Lord thy God . . . But Ahaz said I will not ask, neither will I tempt the Lord, And he said, Hear ye now, O House of David . . . Behold a virgin shall conceive, and bear a son, and shall call his name Immanuel. — Isaiah 7:14.

The people that walked in darkness have seen a great light; they that dwell in the land of the shadow of death, upon them hath the light shined . . . For unto us a child is born, unto us a child is given, and the government shall be upon his shoulders, and his name shall be called WONDERFUL COUNSELOR THE MIGHTY GOD, THE EVERLASTING FATHER, THE PRINCE OF PEACE, of the increase of his government and peace there shall be no end, upon the throne of David, and upon his kingdom, to order it, and to establish it with judgment and justice henceforth even for ever.

The zeal of the Lord of hosts will perform this.—Isaiah 9:2-7.

I will gather the remnants of my flock out of all countries whither I have driven them, and will bring them again to their folds . . . And I will set up shepherds over them which shall feed them, and they shall fear no more, nor be dismayed, neither shall they be lacking, saith the Lord. Behold the day come, saith the Lord, that I will raise, and the king shall reign and prosper, and shall execute judgment and justice in the earth. . . And this is his name whereby he shall be called, THE LORD, OUR RIGHTEOUSNESS. — Jeremiah 23:3-6.

Now gather thyself in troops, O daughter of troops; he hath laid siege against us; they say, We will smite the judge of Israel with a rod upon the cheek. But thou, Bethlehem, Ephrathah, though thou be little among the thousands of Judah, yet out of thee shall come forth unto me one that is to be ruler of Israel; whose goings forth have been from old, from everlasting . . . And he shall stand, and feed in the strength of the Lord, in the majesty of the name of the Lord his God; and they shall abide; for now shall he be great unto the ends of the earth.—Micah 5:14.

In the sixth month the Angel Gabriel was sent from God unto a city of Galilee, named Nazareth, to a virgin spoused to a man whose name was Joseph, of the house of David and the virgin's name was Mary. And the angel came upon her, and said, Hail thou who art highly favored, the Lord is with thee: blessed art thou among women. And when she saw him she was troubled at his saying, and cast in her mind what manner of salutation this should be, and the Angel said unto her: Fear not, Mary, for thou hast found favor with God.

That was the opinion of the proprietor of a small shop here who has not yet visited the now-famous birthplace of the infant Jesus.

"I really believe this is just something arranged to make more entertainment for taxpayer week," he went on. "Why, the true Christ will be so mighty that there will not be a doubt by anyone when he comes. That light was just a falling meteor and those sleepy shepherds were startled by it. You know how a story can grow."

He said he had been too busy to go along with the crowds to the stable, and added that the innkeeper would probably have more business than ever.

"I have an extra room here at the back," he said thoughtfully. "If I had only known—I didn't seem like the same stable somehow."

"I went to the stable this morning," he mused. "Only it didn't seem like the same stable somehow."

Messiah Comes Into World Torn By Internal Strife

BETHLEHEM, Dec. 25 — Beginning of the Year of Our Lord 1. — Christ was born last night. They say he is a King. Into a world torn with strife, into a dictator-ridden country that trembles at the clashing swords of Rome, has come the ray of light so long awaited by the troubled people.

It is a far cry from the golden pillars of Solomon's temple to the crude stalls of a cattle barn.

For hundreds of years the memories and tales of the glories of ancient Jerusalem have been treasured in the hearts of a scattered race. For generations they have unrolled their papyrus scrolls and reassured themselves that one day a Redeemer of Mankind would restore their kingdoms. With mighty armies. He would vanquish a tyrant Caesar, and rebuild their shining city.

They thought of him in terms of shining raiment and a golden throne; they didn't expect swaddling clothes and manger hay.

They could see him proclaimed by heralds with silver trumpets; they didn't think his companions could be rough-haired oxen and sleepy-eyed goats.

They expected urns of smoldering incense, but not the aroma of a stable.

Multitudes would prostrate themselves on the ground in His presence, they believed; they didn't suppose that a harried innkeeper would suggest that the royal family sleep in the barn because all of his rooms were full of taxpayers.

Some say that this baby born last night to Mary and Joseph of Nazareth couldn't possibly be the Messiah foretold in Scriptures. But there are others who remember the words of the prophet Isaiah, of Jeremiah and of Micah and with unspeakable joy hail Him as the Saviour of Israel.

Mary And Joseph Both Descendants Of Royal Line

NAZARETH, Dec. 25 — Beginning of the Year of Our Lord 1. — Although Mary, mother of the Saviour, and her husband, Joseph, live among the humbler folk here, where he is a carpenter, they are of the royal family of Judah and the descendants of King David.

The Jews keep exact lists of their genealogies thus explaining the present situation.

For the old prophets said that the Christ child was to be born at Bethlehem whereas Mary lives in Nazareth 50 miles distant. But when the Emperor Augustus called for the regular 10-year census he ordered Herod to register the people according to the tribe to which they belong. Mary and Joseph belonging to the family of David were required to go to Bethlehem.

Shopkeeper Has Doubts About Jesus

BETHLEHEM, Dec. 2 — Beginning of the Year of Our Lord 1. — "All the excitement has made more business for my shop but I do not believe he is the Christ."

That was the opinion of the proprietor of a small shop here who has not yet visited the now-famous birthplace of the infant Jesus.

"I really believe this is just something arranged to make more entertainment for taxpayer week," he went on. "Why, the true Christ will be so mighty that there will not be a doubt by anyone when he comes. That light was just a falling meteor and those sleepy shepherds were startled by it. You know how a story can grow."

He said he had been too busy to go along with the crowds to the stable, and added that the innkeeper would probably have more business than ever.

"I have an extra room here at the back," he said thoughtfully. "If I had only known—I didn't seem like the same stable somehow."

Lowly Shepherds With Flocks On Nearby Hills First To Note Miracle Of Celestial Visitation

Long-Awaited Messiah Born in Lowly Manger

Eyes Of All Judea Turn To Bethlehem As Word Spreads

Appearance Of Star Convinces Inhabitants New Baby Is Prince

BETHLEHEM, Dec. 25 — Beginning of the Year of Our Lord 1. — The eyes of all Judea are turned with awe today upon this little town as world emanates from it that the long prophesied Messiah was born here last night.

Miraculous happenings and visitations of heavenly hosts which confronted them with radiance and divine song, lead inhabitants to believe that this is the prince of the throne of David, who Scriptures have said, will reunite the scattered tribes of Israel and reign over them as the son of God.

The appearance of a new star of Great Magnitude and luminescence, convinced them that it portends to the ancient prophecy.

The infant, born to Mary, a Jewish girl from Nazareth, who is the wife of Joseph, a carpenter, was first discovered by a group of shepherds who received the news of His birth from a band of angels while they were tending their flocks in the low lying hills outside the city.

Descending in a blaze of heavenly glory that prostrated the little group of men and boys with amazement, the divine visitors told them not to be afraid but to go to the stable in Bethlehem, where they would find the Christ in swaddling clothes and lying in a manger.

Following in quick succession the visit of the shepherds was a caravan of wise men, or Magi, from humble birthplace bearing jewels and precious gifts. To them too, this was a long-awaited event, since they are close students of astronomy, and were watching for the star. When it appeared they regarded it as the sign that the child had been born which the prophet had foretold.

While the largest part of the population here is talking of the event in tones of unsuppressed awe, and plainly regard it as a means by which they will be delivered from their Roman oppressor, there are many who are frankly skeptical. They feel that the future Christ will come from a more significant source.

The whole atmosphere here has been one of unusual excitement for the past few days since that was the time decreed by Augustus Caesar for all taxpayers in Judea to be registered. Mary and Joseph being of the house of David, were required to come to Bethlehem, and although Mary was an expectant mother, and the 50-mile journey from Nazareth in Galilee was extremely arduous for her, the urgency of the order was such that they dare not say no.

From the meager details gained from keepers of public places, it appears that Joseph had failed to make any reservations for lodging. The low temperature of the winter night forced them to the stable where they made themselves as comfortable as they could in the straw. They suffered no ill effects from the experience, however, and those who visited the stable wherein the King of Glory rests in his swaddling clothes, left on camels bound presumably for Jerusalem.

Herod is known to be extremely interested in the journey of the Magi to Bethlehem.

The Christmas issue today tells the story of Christ's birth as it might have been told if modern newspapers had been printed at that time. Today's current news appears on inside pages. The Bethlehem story was mainly

written several years ago by a newsman and its use has become a tradition with us. The dispatches are based on the story of the Christ child as it was originally written.

Herod In Dread, Seeks To Delude Sages From East

Manger Miracle Told Over And Over As Groups Collect

JERUSALEM, Dec. 25 — Beginning of the Year of Our Lord 1. — An apprehensive Herod sits on the throne of Judah, and is much disturbed at the miraculous birth of Jesus in Bethlehem.

This was brought to light with the recent visit here of sages from the East who were seeking the newborn King of the Jews. Having heard of their inquiries, Herod hastily called together his chief priests and scribes who write the laws, and demanded them to tell him more of the prophecies of Christ's coming.

Then he summoned the wise men for questioning, and led them to believe that, if they would go to Bethlehem, discover the Child and return and tell him about it, he would journey there himself to pay homage.

Those who heard Herod's interview with these Eastern wise men say he was given only evasive answers.

Political commentators say it is understandable that Herod should feel uneasy at the rise of a leader who will capture the imagination of a discouraged people. His reign has been a singularly unhappy one due to the pressure from Rome.

The Emperor Augustus has lately accumulated foreign property and subjects through a campaign of military invasions and controls about all in this part of the world that is worth taking. This has occupied the minds of the people, but has increased Roman extravagances. Palestine is one of these conquered countries and Herod is the King of Augustus's own choosing.

Some regard Herod's fear of a ruler who will overthrow him in a material sense as being unfounded.

They maintain that the significance of the Messiah is spiritual rather than political, and point out that he has always been prophesied as a Shepherd of Souls rather than a military deliverer.

Herod's nature, these commentators say, makes it impossible for him to understand a Prince of Peace.

Great Joy Pervades City Of Bethlehem

BETHLEHEM, Dec. 25 — Beginning of the Year of Our Lord 1. — It is impossible to describe the feeling of great joy that pervades Bethlehem today as the coming of the long-heralded Messiah is realized by the majority of its inhabitants.

The shepherds probably experienced the most poignant sensation for it was to them that the news was first given. The little group who were guarding their flocks from foxes and wolves that still roam the hills of Palestine, speak with great wonder of last night's message from the sky.

The amazing light together with the chanting of a heavenly host has brought on incoherence to their speech; but the radiance of their facts is more impressive than any words could be.

"An angel of the Lord suddenly flashed before us and the glory of the Lord shone all around us," one of them said.

Last night's star, they explain, resulted from the conjunction of two great planets, Jupiter and Saturn.

Magi's Wisdom Is Greatest In World Declares Caspar

BETHLEHEM, Dec. 25 — Beginning of the Year of Our Lord 1. — This is what Casper, one of the wise men, said about their belief:

"The wisdom of the Magi is the greatest of all wisdoms on earth, because it knows its own ignorance. And that is the secret of power. We worship fire as a symbol of Him. We keep men always looking and waiting for a new sunrise, but we ourselves understand that the darkness is equal to the light and that the conflict between them will never be ended."

Star of Bethlehem

by Mabelle Gigliotti

He came to dwell among the poor and insecure: He at whose birth the hope of Earth was born.

Bleeding and torn, he said, "Forgive and live! Forget yourself and find my joy of heart."

My peace of mind."

O, Star of Bethlehem, Hope is not yet past,

Guide us 'till we are freed from envy, fear and greed.

To peace at last.

Herod's spies said

Departing Hurriedly For Jerusalem

BETHLEHEM, Dec. 25 — Beginning of the Year of Our Lord 1. — Several known spies and two synchophants of the court of King Herod, who for the greater part of the morning have been furtively watching the stable wherein the King of Glory rests in his swaddling clothes, left on camels bound presumably for Jerusalem.

Herod is known to be extremely interested in the journey of the Magi to Bethlehem.

Mary indicated the she would call the child Jesus.

Christmas Services

Silent Night Holy Night...

'And the Angel said to them, "Be not afraid; for behold, I bring you good news of a great joy which will come to all the people; for to you is born this day in the City of David a Savior, who is Christ the Lord. And this will be a sign unto you: You will find a babe wrapped in swaddling cloths and lying in a manger." And suddenly there was with the Angel a multitude of the Heavenly Host praising God and saying, "Glory to God in the Highest, and on Earth peace among men with whom he is pleased!"' Luke 2:10-14. Good news of great joy; these words leap off the page as we listen to the story of the birth of Christ. God's love for man reaches down in concrete action in the birth of Jesus Christ and this action speaks more strongly than a million words. Great joy! Good news! Christ is born!

El Cajon Avocado Firm Listed In Who's Who?

The last avocado packing house left in the San Diego area has been listed in the new edition of the World Who's Who in Commerce and Industry.

It is Table-Ready Avocado Co. of El Cajon, only representative of the avocado industry to appear in the annual roster of world-wide business pace-setters.

The firm was founded four years ago by Kathryn Steffan Grider and specializes in custom-ripening the exotic tropical fruit for immediate use. Because it is the first to specialize in this field, ripening avocados for as many as 8,000 persons at a time, Mrs. Grider attributes the international honor.

Once the center of avocado growing, San Diego's groves have nearly all gone before bulldozers, to be replaced by housing developments. Growing centers now are in Fallbrook and northern California, with packing these areas.

Mrs. Grider founded her business as a hobby, developing it as it attained enthusiastic response. Her theory was, "Bananas and avocados ripen alike; who buys green bananas?" The firm now ships from growers all over the state, who support her idea. She is the only woman executive in the 1-million-dollar a year California industry.

Her packing shed is at 738 East Chase, El Cajon.

Spices were the first flavorings.

Traditional Recital To Be Given Saturday

Twentieth anniversary of a San Diego Christmas tradition will be observed at 2 p.m. on Christmas Day when Paul D. Peery offers his annual carillon recital on the One May Lowe Chimes in Balboa Park.

Best audition points for the Christmas recital are the Balboa Park Organ Pavilion and the grassy slopes below Laurel St. at the west end of the Park.

Opening with his signature theme, "Canterbury Bells," Peery will play sacred and secular carols, carols from Denmark, Poland, Sicily, England and Sweden, and close with Handel's "Joy to the World."

Horace Greeley started the New York Tribune in 1841 as a paper for the working class of people.

Tranor. All the children participated at the breaking of the pinata.

To show their appreciation for the lovely party, troop 225 gave a most delightful reading entitled "A Christmas Adventure." Marian Eulette played the part of the mouse and Diann Peacock, the squirrel. Festivities remained joyous as the girls jointly sang Christmas carols. After serving Christmas cookies and punch, troop 225 enacted a play entitled "Waiting for Santa." Upon Santa's appearance the girls gathered around him in anticipation of the gifts he had for each of them.

The following girls aided in preparing the program:

Reynolds OK'd As Officer On Planning Commission

Paul Reynolds, 16-year veteran business manager of the Lemon Grove Elementary School District, was named Tuesday as County Planning Commissioner, replacing Gilbert Ray, Casa de Oro real estate dealer, it was announced by Henry Boney, Supervisor of the 2nd District.

Boney said his decision to replace Ray was his concern that Ray's real estate activity might result in a conflict of interests of his planning commission service.

Reynolds' appointment followed the passage of new legislation which permits supervisors to name members of the planning commission and set their terms of office. In effect, the change makes the planning commission far more responsive to the Board of Supervisors.

Reynolds will attend two meetings a month as a Planning Commissioner. Trustees of the

Lemon Grove School Board have approved his assignment. Reynolds said it will be necessary for him to work evenings and Saturdays to make up the time lost from the School District. He will be paid \$20 a meeting by the County.

Reynolds is past president and past secretary of the California Association of Public School Business Officials, Imperial Section. He is State Treasurer of the group.

He is also president of the Lemon Grove Kiwanis Club and recently distinguished his term by heading a banquet project for Dr. Frank Gigliotti of Lemon Grove at which more than 700 persons were in attendance.

Reynolds majored in business administration at Texas Tech and was graduated with a BBA degree. He lives at 7205 Rosemary Ln., Lemon Grove.

Ray was appointed by the Board of Supervisors 9 years ago. At that time David W. Bird was Supervisor of the District. The Board expressed appreciation for Ray's dedicated service.

Reynolds' term will expire Dec. 31, 1969.

Re-appointed from this area to the Planning Commission were R. S. Holmgren, to Dec. 31, 1966, and Warren Hooper, to Dec. 31, 1967.

Holmgren is a consulting engineer and Hooper is an El Cajon poultryman.

Newly appointed to the commission are Kenneth Rearwin, a La Jolla stock broker, and Al Hogan, Solana Beach, a concessionaire for Westgate Park.

Stuart Green of Del Mar and F. O. Culy, of San Diego together with Ray were not re-appointed.

Driver Sued For \$450,000

SAN DIEGO (CNA) — A Chula Vista man who lost his legs when the car he was pushing was struck from behind by another has filed a \$450,000 civil suit in Superior Court against the driver.

Fernando Gambala, 25, of Chula Vista, filed the suit against Richard LeRoy Trachta, 20, 551 Alene St., Spring Valley, and his parents, Charles R. and Jane Trachta of the same address.

Trachta, who pleaded no contest to two counts of felony drunk driving, was granted five years' probation with the first nine months in custody and ordered not to drive for a year following his release. He is in Viejas Honor Camp. He is scheduled for release June 23.

Trachta was treated for minor injuries. His passenger, James Van Wagenen, of 2232 Washington Ave., Lemon Grove, was not reported injured.

The DIMMER VIEW

by MAX GOODWIN

Anyone For A Merry Christmas?

There has been a reduction in numbers of office Christmas parties this year, we have heard.

This is in spite of the fact that there are more offices and more office employees in San Diego than before.

The cut-back has no economic justification. We think the reason is charity—and we know of a couple of cases here to prove our point.

Before we make the point it should be noted that the office party is not the key to a Merry Christmas—even though it might seem so while the party is in progress.

There is hardly a person who attends a raucous office party who does not later suffer a pang of conscience from a thoughtless statement, an unwarranted act, or an over-cute story.

Amid too much revelry any one of these things can happen to denude the season of much of its meaning for otherwise thoughtful persons.

Such were our thoughts when the employees of College Grove Safeway store told us last week that the money usually spent on an employee's party would be diverted instead to a needy Lemon Grove or Spring Valley family; the family to be chosen by this writer.

We put Safeway Manager Al Fulton in contact with Dr. Jim Kenaga, chairman of the Lemon Grove Rotary club's Christmas Giving Committee. As a result of this, the children of a family of six, with an unemployed father, will have a more meaningful Christmas than they would have otherwise.

Hardly had these arrangements been made when an electrical contractor, who was bankrupt a couple of years ago, tossed \$50 on our desk as he does each year saying, "see that a needy family gets this. Give it in your name so I can be anonymous."

As with the Safeway employees, this man is not well-to-do. He is struggling to pay off the indebtedness he incurred when his firm went under. Yet, every year the tableau is repeated. He brings the money in; the admonition regarding anonymity is given; a Merry Christmas greeting is exchanged, and the donor leaves happier because he has again experienced the joy of giving.

The recounting of these events at this season explains why some needy families fare better than they would otherwise. It also explains why the name of this writer sometimes is attached to a package that is mysteriously delivered to homes which are made brighter by the knowledge that someone cares.

This generosity of these donors is probably duplicated many times over in our community.

Of such material is the spirit of Christmas.

Food Stamps For Two-Thirds

If a food stamp plan is put into practice in San Diego County, many Lemon Grove and Spring Valley residents will be eligible to participate.

There are only a couple of areas in the county where more recipients would be involved.

The stamp plan, which is a part of Washington's War on Poverty, is very simple for the recipient.

If he is already a charge of the County Welfare Department, he is eligible.

He can also qualify by meeting certain low standards of income—the amount to be decided upon later.

Recipients are then issued certificates which qualifies him as a purchaser of a certain amount of stamps each week.

The stamps will be available at about two-thirds face value. If a family normally uses \$50 for food each week, he will get that amount in stamps. He will pay about \$33 for them. The stamps are redeemable at any market. The federal government buys back the stamps at face value.

Supervisor Henry Boney said that San Diego County will request participation next year. "Supervisors," he said, "want to be certain that the program is not a flash in the pan."

"What do we do for the recipients if the program is stopped after a year?" he asks.

F. J. Morey, Assistant County Chief Administrative Officer, said the stamp program is an offshoot of the surplus food experiment. Stamps would cost the county nothing, he said.

"Administrative expenses to determine eligibility would cost the county about \$140,000 a year," he said.

The stamp plan's administrative costs would add 7/10 of a cent to the property tax bill, Boney said. "We want to keep bread on the table of our unfortunate families but I am not sure that an additional property tax is the proper method," he added.

The CAO's office said that the program would channel about two million dollars of beneficial aid to county recipients. But, it was pointed out, the county has not been declared eligible to participate.

The stamp plan will provide about \$6 a person more each year in food purchasing power. Stamps may not be used for alcoholic beverages, tobacco or imported foods, the department said.

Los Angeles County has already been chosen for the stamp plan for this year. While nobody said so, it is apparent that the Watts riot brought quick action to that unhappy County.

The plan looks foolproof. The difference between cost and value is big enough to make the stamps of real value to the recipient family, and small enough to make bootlegging of the stamps not popular.

An unfilled stomach complains for food—and cares not at all about geography. It doesn't care whether the food's beginning is at county, state or federal level.

But once set up, the program generates a feeling of an easiness in the recipient. When will Uncle Sam stop the program? Along this thread of fear is strung a socialistic attachment of the family who gets help to the guys who run the store at Washington.

Chief Berger commended those who made contributions to the project. "It was an emergency," he said. "It gave a warm feeling to see so many people co-operate to help these youngsters," he said.

The total on Tuesday was \$1,700 of the \$1,900 needed to get the marching band to Pasadena and back.

Elementary Teachers' Salaries Lag Here

The average salary paid elementary, secondary and junior college teachers in California has topped the \$8,000 mark for the first time in history.

Data gathered by the California Teachers' Association (CTA) Research Department covers 94.6 per cent of the teachers in the state. It places the 1965-66 average at \$8,141. This marks a 4.51 per cent increase over 1964-65 when the average was \$7,789.

This year is also the first in which average junior college pay exceeds \$10,000. The new figure is \$10,044, a 5.18 per cent increase over last year's \$9,549. Elementary teachers now average \$7,704, a 4.9 per cent gain over the 1964-65 figure of \$7,344. High school teachers have had an increase of 3.57 per cent, from \$8,245 to \$8,539.

Locally, La Mesa-Spring Valley teachers averaged \$7,559, a 9.80 per cent increase over the 1964-65 figure of \$6,884 and Lemon Grove School District teachers receive \$7,774 annually, a 3.50 per cent increase over last year's approximate figure of \$7,500.

In the Grossmont Union High School District, teachers are paid an average of \$9,363, which is higher than the state average.

The Grossmont Junior College District also pays its teachers on a rate higher than the state level. Teachers in that district receive an average salary of \$10,219, an overall increase of 8.0 per cent over last year's \$9,571.

Salary ranges differ in all of the districts. In Lemon Grove, the range begins at \$5,400 with the top at \$8,675 after five years. Teachers in that district are given an anniversary increment of \$500 for each five years served in the district.

La Mesa-Spring Valley teachers' salaries range from \$5,400 to \$10,800. They have a service bonus which starts after the fifth year and can be built up to \$300.

In the high school district, salaries start at \$5,740 and end

Bookkeeper Sentenced On Grand Theft Charge

SAN DIEGO (CNA) — A 21-year-old former honor student who dropped out of school in his senior year when his parents were divorced and his grades became failing has been placed on 10 years' probation for grand theft and ordered to repay \$3,090.

He is Peter S. Sarantas, of 3912 Alamo Way, La Mesa, who pleaded guilty to the charge of taking money from the Massachusetts Avenue Lumber Mart, 3580 Massachusetts Ave., Lemon Grove. He admitted taking money over a two-year period when he was employed as the firm's bookkeeper.

The youth told officials that he started high school as an honor student, but during his high school years the family began to split up. He said he was rejected by his mother and he went to pieces emotionally. His father quit work and sat at home staring out the window. He wanted Peter to stay home so he would not be alone, Peter said.

"Those were the rough years," he told officials.

After quitting school and going to work, he returned to classes and earned three college credits.

Peter said he had no desperate need for the money he took. He said the theft started with an error in his work that let him see how he could take money without being discovered by keeping a double set of books. He was 18 when he first took money from the company.

Superior Court Judge Gerald C. Thomas ordered Peter to spend the first six months of his probation in custody and to obtain psychiatric aid when he is released.

TIJUANA EXCHANGE—Two classes at Vista La Mesa school exchanged gifts this year but not with each other. The gifts were sent to the Casa de la Esperanza Orphanage at Tijuana. Pupils of Arlo Thomas's sixth-grade and Mrs. Barbara Gravin's fourth grade at Vista La Mesa school brought presents for their playmates. One tag had the name of the recipient

and donor; another tag listed the contents of the package. After the exchange, the unopened packages were sent to the orphanage. Pictured above are sixth-grade students. They are, (l to r): Carmen Gastelum, Bill Engle, Laura Roeberg, John Wilkinson, Mrs. Betty Higgins, principal, and Arlo Thomas.

Downing Honored On Honorary Team

Chuck Downing, sophomore linebacker from Monte Vista School, should have been included among the list of all-Grossmont League honorable mentions when it was released recently.

The original release did not include Downing's name, due to an oversight at the league meeting.

Downing, a 6-0, 190-pound gridder, was one of the better defensive players at Monte Vista this past season.

LG CoC Office To Be Moved

The Lemon Grove Chamber of Commerce is moving. Alex Woods, president of the Chamber announced yesterday that the office will be moved from its location at 3448 Main St. to an office at 3560 Grove St.

The new address is an enlarged office of the Lemon Grove Travel Bureau.

The move will take place about mid-January, Woods said. The office will be considerably smaller than the Main St. facility and the chamber board will be asked for permission to dispose of surplus equipment.

The change will reduce the Chamber rent and utilities overhead by more than two-thirds, he said. Rent will be \$32 a month compared with \$100 now being paid. Utilities will be furnished at the new office, reducing the cost of operation even more, he said.

Storm Sufferers To Get SBA Loan

Storms which brought 4.16 inches of rain to the Lemon Grove-Spring Valley area earlier this month also brought a declaration to San Diego County of disaster area, according to U. S. Representative Lionel Van Deenlin.

He said Tuesday that the Small Business Administration had been instructed to provide no-limit loans to home-owners and business firms who had suffered as a result of rains and floods. Loans will be for 20 years and carry a 3 per cent interest rate, he said.

"I have been informed that some Spring Valley residents have suffered severely due to flooding and I encourage them to get in touch with the Small Business Regional Office in the Electronics Capital Building at First and C to make loan arrangements."

John Quimby is in charge of the regional office.

Dear Santa
I hope you are feeling well. And I hope Rudolph will guide your sled on Christmas Eve. I want a Baby Boo and I want a dress.

Love, Terry

CHARGERS END—Don Norton, former University of Iowa all-American, led the San Diego Chargers to a 24-14 win over Oakland last Sunday by catching two touchdown passes. The Chargers hope for more of the same this Sunday when they battle Buffalo's Bills at 1:30 p.m. in Balboa Stadium for the

American Football League championship. Last year, Buffalo, Eastern Division titlist, topped the San Diegans, 20-7, for the baubles. This season, the Chargers have beaten Buffalo, 34-3, and tied the Bills, 20-20, in regular season games.

Phys. Ed. Programs Honored

The Executive Committee of the San Diego Unit of the California Association for Health, Physical Education and Recreation (CAHPER) at their Dec. 15 meeting reviewed the 1965 report from Stan Musial, Consultant to President Johnson on Physical Fitness.

Some of the important points in the report which were discussed according to Bob Smith, Lincoln High School Track Coach, president of the local unit, are as follows:

1. California was lauded for its daily program for every boy and girl from kindergarten through high school and Stan Musial stated that the trend toward daily programs is accelerating. Since 1961, twenty-states have strengthened their physical education requirements. Indictive of the strides being made nationally is the fact that in 1961 about 7,200,000 of the children in grades 4-12 were in daily physical education programs while in 1964 nearly 12,000,000 of this age group were in daily programs.

The report mentioned an increase in other types of community and school physical fitness developments also. Some of the outstanding local programs of this type discussed by Smith's CAHPER Committee are the adult physical fitness classes held at San Diego State College under the leadership of Dr. Fred Kasch; the Downtown YMCA Physical Fitness Program developed by Physical Director, Roger Martin; experimental junior high summer school physical education classes for underdeveloped

Local Clubs Enter Tournaments

Mount Miguel and Monte Vista High will try their luck again in holiday basketball tournament action next week when the two local clubs enter the University Tourney and Mustang-Optimist Tournament respectively.

Miguel, present holder of a 4-4 record, will be vying with Kearny High's Komets at 6:30 p.m. Monday in the University of San Diego Gymnasium.

Monarchs Travel

Monte Vista's Monarchs travel to Del Mar Fairgrounds to take on San Clemente in a 4 p.m. game, also Monday.

Coach Dick Ridgway's Matadors have beaten Hilltop, St. Augustine, Mar Vista and San Dieguito thus far while losing to powerful Crawford, San Diego High, Grossmont and Castle Park.

Close Games

Two of their defeats were by less than three points. Grossmont topped the Matadors, 58-56, in the first round of consolation play in the recent Kiwanis Tournament in San Diego and Castle Park nipped Ridgway's club, 51-50, in an earlier contest.

Ridgway feels "we're capable of playing winning ball." "With

pupils conducted by the San Diego City Schools and the summer physical fitness program for boys held at San Diego State College.

3. Improved programming based on recent findings in medicine, physiology of exercise and growth and development has resulted in greater emphasis on vigorous physical activity and increased use of physical fitness tests to evaluate and motivate pupil progress.

Bottle Campaign Being Conducted

The Mount Miguel High School track team is almost halfway to its goal of 11,000 pop bottles.

Track team members acquired more than 5,000 empty bottles earlier this week in an attempt to raise funds for re-surfacing of the pole vault, high jump, and long jump areas at the school's track.

Coach Dick Tomlinson said that his team will be collecting pop bottles again Monday in the Lemon Grove area and Tuesday in the Brookside area.

One of my friends used to drive one of those armored cars that transport money to banks, and one day he stopped by to see me. When he left our store we loaded about 10 empty cartons in his armored truck. All cartons were marked with big dollar signs on them. Caused quite a little comment along the street. It is still not too late to get some practical and impractical gifts for those friends and relatives who are hard to buy for. Come see us! Grove Office Supply can supply you every office need, we are located at 7890 Broadway in Lemon Grove, telephone 463-4494.

We take this opportunity to thank all our friends for the business we have enjoyed this year and to extend a hearty merry Christmas to everyone.

State Funds Allocated To Highway 94

The California Highway Commission has declared that a federal grant of \$5,214,000 will be used to finance projects aimed at restoring, preserving or enhancing the scenic beauty of California State highways in 35 counties.

"Every project is a brand new one that for lack of funds could not possibly be included in the California Division of Highways budget the Commission approved in October, Robert B. Bradford, Commission chairman said.

The funds are California's share of \$60 million dollars apportioned to the states as a part of the federal Highway Beautification Act of 1965 (that was signed into law by President Johnson in October, California is not required to match the grant with state monies.

The largest single expenditure will be in Lemon Grove where \$395,000 has been allocated for landscaping and tree planting on a 5.7 mile stretch from the east limits of 805 interchange to the west limits of route 125 interchange on State 94.

Please don't forget to dial "1" for distance now. This applies on all long distance calls which you dial direct.

Just check your brand-new telephone book. Turn to the helpful front pages—there you'll find easy to follow instructions.

To call inside your local (toll free) calling area, just dial the seven digit phone number.

To dial outside your local calling area, dial "1" first. If the "area code" of the phone you're calling is different from yours (714), please remember to dial the area code—then the seven digit number.

Some of you used to dial "12" for access to long distance. Now you just dial the "1" instead—eliminates those two extra pulls of the dial wheel.

Remember that dialing "1" is a safeguard against placing long distance calls unintentionally.

All of us at Pacific Telephone want to wish you and your family a very Merry Christmas and a very Happy New Year. We hope the new year will be a prosperous and rewarding one for you. It has been our pleasure to serve you during this past year, and you can be sure that during 1966 we'll do our best to continue bringing you the finest possible telephone service. Again, our sincere season for you and yours.

Hansen Named To JC Committee

John S. Hansen, Grossmont College president, has been appointed by the American Association of Junior Colleges to a committee charged with conducting an investigation that will result in an assessment of the success in teaching in junior colleges. President Hansen is presently a member of the Commission on instruction for the national organization.

"The formation of the committee is in keeping with the junior college emphasis on excellence of instruction," Hansen stated. "Certainly, junior colleges are becoming increasingly regarded as the teaching segment of higher education," he concluded.

The Grossmont College president will attend the first meeting of the new committee in Washington, D. C. on Jan. 26 and 27, 1966.

Over 2,400 Registered At Grossmont College

With over 2,400 day and night students already signed up for the spring semester, registration at Grossmont College will continue until Jan. 23 for new students.

Students who are presently enrolled at the college have until Jan. 7, to complete their registration for the spring semester which will begin on Feb. 7.

Students applying for readmission to the college, who were not in attendance during the present semester, must file an application for admission at which time they will be given a reservation for a placement examination. Students with degrees or students who have previously taken the test may waive the placement examination. Placement examinations will be given on Jan. 6 and 8.

Application deadline for the spring semester is Jan. 28 for those new students not taking the placement examination. Qualified students are eligible to attend Grossmont College if their legal residence is within the Grossmont Junior College district or within a California high school district not having a junior college. In special circumstances inter-district attendance permits may be granted for courses not available in the student's own district. All out-of-state students are required to pay a tuition fee of \$10.30 per unit.
